Inevitably, reading is one of the requirements to be undergone. To improve the performance and quality, someone needs to have something new every day. It will suggest you to have more inspirations, then. However, the needs of inspirations will make you searching for some sources. Even from the other people experience, internet, and many books. Books and internet are the recommended media to help you improving your quality and performance. Fergusson was one of the few British artists to participate in the Impressionist revolution in art that took place in Paris in the years before the First World War and was one of the most influential and important Scottish artists of the 20th Century. You can read a more detailed biography of John Duncan Fergusson in the biography section of Undiscovered Scotland.  
After his death in 1961, his lifelong partner Margaret Morris established the JD Fergusson Art Foundation to look after a large collection of his artworks, together with many letters, documents, notebooks, sketchbooks and other memorabilia. During the 1970s and 1980s many of the artworks were loaned to various Scottish galleries, but the central aim of the Foundation was to establish a permanent home for the entire collection.
