Her books include *The Drama of the Gifted Child*, *Banished Knowledge*, *Breaking Down the Wall of Silence*, *Thou Shalt Not Be Aware*, and *For Your Own Good*. She lives in Switzerland. No customer reviews. However, I must say that I like the original edition better. Even though it was full of Freudian psychological terminology, and it challenged me intellectually to read it, the process of looking up and familiarizing myself with the terms made me feel like I had unearthed a rare jewel, so much did it expand my knowledge and insight. The ideas in this book have given me the tools to become my "true self" and get that self-esteem I have always lacked.
