Used with the permission of Parallax Press. www.parallax.org "Reprinted from The Hungry Tigress (1990) by Rafe Martin with permission of Parallax Press, Berkeley, California." Once there was a parrot. His feathers were beautiful with rich colors of green, red, and yellow. His eyes were shiny and black, his beak a pale yellow. The Jātaka tales are a voluminous body of literature native to India concerning the previous births of Gautama Buddha in both human and animal form. The future Buddha may appear as a king, an outcast, a god, an elephant—but, in whatever form, he exhibits some virtue that the tale thereby inculcates.[1] Often, Jātaka tales include an extensive cast of characters who interact and get into various kinds of trouble - whereupon the Buddha character intervenes to resolve all the problems and bring about a happy ending.
