Eating Animals is the third book by the American novelist Jonathan Safran Foer, published in 2009. A New York Times best-seller, Eating Animals provides a dense discussion of what it means to eat animals in an industrialized world. It was written in close collaboration with Farm Forward, a 501(c)(3) nonprofit organization that implements innovative strategies to promote conscientious food choices, reduce farmed animal suffering, and advance sustainable agriculture. Eating Animals. 3.4K likes. What's on your plate? Natalie Portman and Jonathan Safran Foer present this eye-opening look at the food industry and an...<sup>^</sup> If you missed the film during its limited theatrical run you can now [STREAM/DOWNLOAD](#) the film in the [See more](#). Eating Animals is the feature-length documentary adaptation of Jonathan Safran Foer's critically acclaimed book of the same name. The film reveals through intimate narratives<sup>^</sup> What starts out as a simple question - where does our meat come from? - quickly takes us down the rabbit hole of today's industrial animal agriculture and becomes an exploration of the ultimate stakes of eating animals, the destruction of farming, and the complete unwinding of the American mythos.
