In Search Of Paul: How Jesus's Apostle Opposed Rome's Empire With God's Kingdom—A New Vision Of Paul's Words & World. Book Review. In Search Of Paul: How Jesus's Apostle Opposed Rome's Empire With God's Kingdom—A New Vision Of Paul's Words & World. For In Search Of Paul, prominent historical-Jesus scholar John Dominic Crossan teamed with archaeologist and New Testament historian Jonathan L. Reed to address the nature of Paul's message in its Roman context. While the cult of the emperor Augustus explicitly promoted a theology of peace through war and victory, Crossan and Reed claim that Paul deliberately proposed an alternative theology of peace through justice and nonviolence. John Dominic Crossan, the eminent historical Jesus scholar, and Jonathan L. Reed, an expert in biblical archaeology, reveal through archaeology and textual scholarship that Paul, like Jesus, focused on championing the Kingdom of God—a realm of justice and equality—against the dominant, worldly powers of the Roman empire. Many theories exist about who Paul was, what he believed, and what role he played in the origins of Christianity. Against the concrete backdrop of first-century Greco-Roman and Jewish life, In Search of Paul reveals the work of Paul as never before, showing how and why the liberating messages and practices of equality, caring for the poor, and a just society under God's rules, not Rome's, were so appealing. In Search of Paul: How Jesus' Apostle Opposed Rome's Empire with God's Kingdom Paperback " November 1, 2005. by. John Dominic Crossan (Author). The author takes embarks you on a literal journey where you visit place after place relevant to Paul's life, sadly without images in the Kindle version, to make his point about his vision of Paul as a revolutionary and a mystic, with justice at the center of his message, and not a misogynist or a religious bigot. This work approaches Paul from an aspect of how he and his message fit into Roman and Jewish society, so it is also a book about cultures, rituals, philosophies, customs and archaeology. It paints him in a more radical light than I imagined. However, this is a very interesting read. In Search of Paul book. Read 22 reviews from the world's largest community for readers. John Dominic Crossan, the eminent historical Jesus scholar, and J... The undertitle of the book is quite helpful: 'How Jesus' Apostle Opposed Rome's Empire with God's Kingdom'. flag 1 like Like see review. Aug 02, 2011 Geoff Wehmeyer rated it liked it review of another edition. I wasn't as interested in the architectural histories but found the analysis of Paul's letters to fit well with the cultural background presented. flag 1 like Like see review. Jun 12, 2019 Neil White rated it liked it review of another edition.

His new book is *In Search of Paul: How Jesus' Apostle Opposed Rome's Empire with God's Kingdom*. Crossan looks at the life of Paul, and describes how the most important Christian value is justice. Crossan is professor emeritus of De Paul University, and is considered by some to be the foremost scholar of historical Jesus. His *The Historical Jesus* is an alternative and fact-based look at the life of Christ. [Facebook](#). [Twitter](#).
