Classroom Activities. As a class moves on past the opening phase, one of the keys to the maintenance of discipline is keeping students busy and providing enough variety in the lesson to prevent boredom. Bad behavior often results from students attempting to liven up a dull moment. Keeping students engaged in the lesson provides less opportunity for them to act out. A well-organized class with a teacher who is a positive authority figure prevents most discipline problems from developing into serious issues.

Classroom Activities. As a class moves on past the opening phase, one of the keys to the maintenance of discipline is keeping students busy and providing enough variety in the lesson to prevent boredom. Bad behavior often results from students attempting to liven up a dull moment. Keeping students engaged in the lesson provides less opportunity for them to act out. A well-organized class with a teacher who is a positive authority figure prevents most discipline problems from developing into serious issues. Promoting Good Methods of Classroom Discipline. Helping students to govern their own behavior in ways that help them learn is a longstanding goal of all teachers. There are a number of ways that a teacher can promote good discipline in the classroom. Know school guidelines for discipline procedures. Be fair, positive and consistent. Be the kind of person young people can like and trust—firm, fair, friendly, courteous, enthusiastic and confident. Keep your sense of humor. Positive Discipline or PD is a discipline model used by schools and in parenting that focuses on the positive points of behavior. It is based on the idea that there are no bad children, just good and bad behaviors. Good behavior can be taught and reinforced while weaning the bad behaviors without hurting the child verbally or physically. People engaging in positive discipline are not ignoring problems. Rather, they are actively involved in helping the child learn how to handle situations more
