## Notes

Scribble is a vibrant, eclectic list of illustrated books for children by brilliant writers and artists from around the world. Based in Melbourne, Australia. Miriam Rosenbloom. Publisher. Miriam has been working in publishing more than a decade, in both Melbourne and London. In 2011 she took up the role of Art Director at Scribe and in 2016 she launched Scribe's first picture-book imprint, Scribble. Her favourite book as a child was *The Quangle Wangle's Hat* by Edward Lear, featuring Helen Oxenbury's illustration. And her favourite colour is the sky just before it gets dark. She is also mother
