the flying syringe ten years of immobilising wild animals in africa

African wild dogs are mainly found in Eastern and Southern Africa. 4. Pygmy Hippopotamus. Source. Yet another animal that enters the list of endangered animals in Africa is the pygmy hippopotamus (*Choeropsis liberiensis* or *Hexaprotodon liberiensis*). This mammal is native to the forests and swamps of western Africa, and is a rare nocturnal forest creature that's most difficult to study in the wild. Pygmy hippos are threatened by loss of habitat, poaching, hunting, natural predators and war. 3. Mountain Gorilla. Source. The mountain gorilla (*Gorilla beringei beringei*) is one of the two subspecies Wild animals can be noble, awe-inspiring, and even frightening, and the photographers who dare to document their lives come away with some of the most extraordinary tales ever told. Still, instead of sensationalizing the animal kingdom, true conservation photography teaches us about the nuances of the wild and inspires thoughtfulness, compassion, and care. We asked five outstanding photographers to recall their most intense up-close and personal encounters with wild animals. He is already more than ten years old and a father multiple times over. The last time, he had two cubs with a female named Ladli. In this moment, I got lucky in that myself, my guide, and the driver found him when he was marking a big part of his territory. Africa is a home to ancient giants, stealthy hunters and unparalleled predators. It's a sanctuary where never-ending struggles for survival happen. But amid the vast number of animal species found in Africa, 10 are considered the most dangerous. This hub will introduce the Top 10 Most Dangerous Animals in Africa. I've never been to Africa but it's among the many countries I plan to visit someday. I would love to go on a trip and personally see how dense this continent's wildlife is. The fact that humans can kill all the ferocious wild animals mentioned earlier is a clear proof of our destructive power. With weapons like bows, spears, and guns all wildlife in Africa is at our mercy.
