Name. Description.

Like its companion volume from Blackwell ('The Medieval Theologians'), this text, 'The Modern Theologians', edited by David Ford, provides a wonderful in-depth and broad-ranging introduction to twentieth century theology. In fact, the modern period which Ford delineates is post-World War I to the present; in many ways, the first world war provided a defining turning point for much of intellectual history, and theology was no exception.

The Modern Theologians: An Introduction to Christian Theology Since 1918 (The Great Theologians). 848 Pages • 2005 • 8.03 MB • 416 Downloads • New! Like its companion volume from Blackwell ('The Medieval Theologians'), this text, 'The Modern Systematic Theology' takes a contemporary approach to theology. Special attention is paid to subjects of special interest to the church today. As an introduction to systematic theology, this resource will appeal to the emotions and the spirit as well as the intellect of its reader. The author makes a special point to frequently provide application of theology to life. Not only are the concepts laid out in a clear, comprehensive manner, but there are several examples of how theology can be acted out by today's Christian.
