Set a "money date": As the very first step, Megan Lathrop, co-creator of Capital One's Money Coaching Program, recommends setting a money date with your partner. Don't worry, this isn't what you're thinking; we're not asking you to bring your budget spreadsheet to review over a romantic dinner. The focus of this date is to have an open conversation about your relationships around money. Don't even set an outcome or goal, just talk. Business Guides. The Importance Of Saving Money For Your Future: 7 Tips. Oct 18, 2018 at 12:10 pm by Jacob Wolinsky. Wealthy people have a great habit of saving money for the future. Future is full of uncertainties. You never know which unexpected and emergency expenditure will come next knocking at your door. An accident or a sudden hospitalization of any family member, a job loss, a broken roof, etc. Having enough money to invest is adding a source of income. It helps to meet your personal financial goals. You can invest in stocks, real estate, mutual funds, bonds, etc. These methods will offer more return than just saving. A saving account provides you meagre interest which couldn't even pace up with inflation.
