The Eastern Borderland Alliance is a political faction of the New Galactic Republic of Cyrannus, which first emerged in the closing years of the Cyrannian Cold War. United in mutual beneficence, and in opposition to the current government under President Nexar³n Valkistair and the Republic...⁴ Still, they control key shipping lanes and trade centres in the galactic east, resources and territories which would prove vital should war come with the Empire. If they leave, I fear the Republic may die." ⁵•Senator Apollo and President Nexar³n Valkistair discuss the Borderland Alliance.
