A Discovery of Witches is the first installment of the All Souls Trilogy written by Deborah Harkness. It was published on February 8, 2011 by Penguin Books and has been on the New York Times bestseller list. Warner Bros. optioned the film rights in the summer of 2011, however, that film option expired. The BBC then acquired an option for the material. On February 8, 2016, Deborah Harkness announced that Jane Tranter and Bad Wolf will be producing a TV series, with Ashley Pharoah adapting the books and

But her discovery sets a fantastical underworld stirring, and a horde of daemons, witches, and vampires soon descends upon the library. Diana has stumbled upon a coveted treasure lost for centuries-and she is the only creature who can break its spell. Debut novelist Deborah Harkness has crafted a mesmerizing and addictive read, equal parts history and magic, romance and suspense. Diana is a bold heroine who meets her equal in vampire geneticist Matthew Clairmont, and gradually warms up to him as their alliance deepens into an intimacy that violates age-old taboos. This smart, sophisticated story
