If you wish to become a fully chartered member of CIH, you can study for the MSc Housing Studies or other postgraduate diplomas or Masters qualifications recognised by CIH. The majority of these courses include APEX, which is the CIH practice requirement for membership. If your chosen course doesn't include APEX, you'll need to complete it separately through CIH. The study was undertaken to inform CLG of current local authority housing allocations practice. The research involved three elements: (a) an initial review of existing research evidence, (b) an online survey of local authorities in South West England and Yorkshire & the Humber (response rate: 80 per cent), and (c) case study work in a diverse set of local authorities in Yorkshire & the Humber (5) and London (1).Â Case study evidence suggests that, while such action is usually subject to local policy guidelines, substantial officer discretion may also be employed in many cases.
