Money! Questions and Answers Rev. Charles E. Coughlin

Rev. Coughlin, a Catholic Priest, wrote for the ordinary American citizen. Also he has kept in mind the vast resources and virgin wealth of the United States of America where want needlessly reigns in the midst of plenty simply because there is a planned scarcity of money required for the transfer of wealth. Money is the most vital and fundamental problem to be solved before social justice can be reestablished. Needless to say, it is not convenient for the public press either to explain or to uphold many of the teachings herein contained. Consequently, Coughlin writes as a service to the misinformed and uninformed public.
