Television is undoubtedly one of the greatest inventions of the 20th century. It has both many advantages and disadvantages when compared to reading a book. I do not know how many hours you watch tv in a day but its damage depends upon the time you spend in front of it. In our society, reading a book is by most of the people regarded as wasting time. People would prefer to do everything rather than reading a book or something like periodical. And their preference is as you can guess on the side of watching tv. However as these people do not know the serious disadvantages of tv, they go on watc
