It originated in North India around 13th and 14th centuries. In contrast to Carnatic music, the

Classical music in India is based on the foundation of the old age tradition of Guru-sisya, teacher-disciple. Knowledge where knowledge is transmitted orally from generations to generations. The learning process demands active participation of both the guru and disciple in gurukul [11]. The focus of Indian music tradition in Nivedita. Singh's words is "totally centered on guru and he has a gigantic role to play covering almost every sphere of life. Till the date the followers of Indian classical music believe in the tradition and it continues. However the essence has been changed a bit or we can say a lot. The tradition which was absolutely under royal patronage has entered to the middle class. So until unless a guru is supremely rich or funded by any organization it's not possible. The music of India includes multiple varieties of Punjabi Music, classical music, folk music, filmi, Indian rock, and Indian pop. India's classical music tradition, including Hindustani music and Carnatic, has a history spanning millennia and developed over several areas. Music in India began as an integral part of socio-religious life. The 30,000 years old paleolithic and neolithic cave paintings at the UNESCO world heritage site at Bhimbetka rock shelters in Madhya Pradesh shows music instruments

Indian dance, music and theater traditions span back more than 2,000 years , according to Nilima Bhadbhade, author of "Contract Law in India" (Kluwer Law International, 2010). The major classical dance traditions – Bharata Natyam, Kathak, Odissi, Manipuri, Kuchipudi, Mohiniattam and Kathakali – draw on themes from mythology and literature and have rigid presentation rules. A study published in April 2016 in the Journal of Indian Ocean Archaeology found that some Indian horns have many similarities with horns made in Ireland.

Indian dance, music and theater traditions span back more than 2,000 years, according to Nilima Bhadbhade, author of "Contract Law in India" (Kluwer Law International, 2010). The major classical dance traditions " Bharata Natyam, Kathak, Odissi, Manipuri, Kuchipudi, Mohiniattam and Kathakali " draw on themes from mythology and literature and have rigid presentation rules. A study published in April 2016 in the Journal of Indian Ocean Archaeology found that some Indian horns have many similarities with horns made in Ireland. In Indian classical music, notes are mostly rendered in a continuous, gliding manner such that each rendered note blends smoothly with its follower in the composition. 1.3k views · View 9 Upvoters. Nishkam Razdan, works at Accenture. Answered Mar 2, 2015. We have two great classical traditions in the North and the South, a product of the geographical diversity of India accentuated by the fact that the North saw more foreign influence in the South. Consequently, the Hindustani (North Indian) and Carnatic (South Indian) traditions diverged, though the basic principles of music are largely same or similar. Add to that the fact that numerous gharanas, stylistic schools of musical expression which gained patronage from various royal houses, big and small. Book focuses on the two traditions of Indian Classical Music: North Indian, or Hindustani and South Indian, or Karnatak. It is an introduction to principles, ideas, and systems of the above two traditions and is geared to the listener as well as to the performer. Get A Copy. Amazon.
