I came to poetry fairly late; that is, I was probably a senior in college before I could read it with anything like enthusiasm. This was a direct result of studying Wittgenstein with James Guetti, an eccentric, disgruntled professor of English at Rutgers University. Jim's passions seemed to be gambling (horses, cards, dice), fishing, writing, and drinking. (A former football player at Amherst College, he also loved sports, but you didn't bet on sports, because that was unsportsmanlike.) Yet somewhere along the way after 1980 I started by marking "Letters from Ludwig Wittgenstein with a Memoir" as "Want to Read: Want to Read saving | Want to Read." Ludwig Josef Johann Wittgenstein (26 April 1889 – 29 April 1951) was an Austrian-British philosopher who worked primarily in logic, the philosophy of mathematics, the philosophy of mind, and the philosophy of language. Described by Bertrand Russell as "the most perfect example I have ever known of genius as traditionally conceived, passionate, profound, intense, and dominating", he helped inspire t Ludwig Josef Johann Wittgenstein (26 April 1889 – 29 April 1951) was an Austrian-British philosopher who worked primarily in logic, the philosophy of mathematics, the philosophy of mind, a

I observed the respectful attention that everyone in the room paid to him. After this unsuccessful beginning he did not speak for a time but was obviously struggling with his thoughts. His look was concentrated, he made striking gestures with his hands as if he were discoursing. All the others maintained an intent and expectant silence. I witnessed this phenomenon countless times thereafter and came to regard it as entirely natural. I attended Wittgenstein'
