Explore Ghana's history, government, economics, geography, and climate with this in-depth look at the West African nation. This later caused the country's economy to decline and many people from Ghana migrated to other countries. By 1992, a new constitution was adopted, the government began to regain stability, and the economy started to improve. Today, Ghana's government is relatively stable and its economy is growing. Government of Ghana. Ghana's government today is considered a constitutional democracy with an executive branch made up of a chief of state and a head of government filled by the same person. The legislative branch is a unicameral Parliament while its judicial branch is made up of th

Ghana, officially the Republic of Ghana, is a country located along the Gulf of Guinea and Atlantic Ocean, in the subregion of West Africa. Spanning a land mass of 238,535 km<sup>2</sup> (92,099 sq mi), Ghana is bordered by the Ivory Coast in the west, Burkina Faso in the north, Togo in the east and the Gulf of Guinea and Atlantic Ocean in the south. Ghana means "Warrior King" in the Soninke language. In geography, a plain is a flat, sweeping landmass that generally does not change much in elevation. Plains occur as lowlands along the bottoms of valleys or on the doorsteps of mountains, as coastal plains, and as plateaus or uplands. A hill is a landform that extends above the surrounding terrain. GEOG 304 Regional Geography of West Africa, with Special reference to Ghana West Africa as a region. Physical environmental challenges and the human responses. Ghana, officially the Republic of Ghana, is a country in West Africa. It borders Cote d'Ivoire to the west, Burkina Faso to the north, Togo to the east, and the Gulf of Guinea to the south. The word "Ghana" means "Warrior King."<sup>[1]</sup> Ghana gained its independence from British colonial rule under the leadership of Kwame Nkrumah, the anti-colonial leader who served as the first president. Army officers dissatisfied with Nkrumah's dictatorial ways deposed him in 1966. Flight Lieutenant Jerry Rawlings, who claimed the presidency in 1981, led the country through a transition to a democratic state that culminated with an historic election in 2000 in which the people rejected Rawlings's handpicked successor by choosing John Agyekum Kufuor as the president.
