This is an anthology presenting a variety of Chinese literary forms from 170BC to the end of the Ch'ing dynasty in 1911. This collection includes over

There are important textbooks and studies of Chinese literature, which I will get to in a moment, but "good nonfiction" seems to point toward a literary flair in the writing, or a sense of the broader humanistic values in the subject matter, so I'll start with what I consider to be the best-written books about Chinese culture that discuss literature. A good starting point, before we go into more detail, is Sabina Knight's *Chinese Literature: A Very Short Introduction* (Oxford, 2012). Stephen Owen, ed., *An Anthology of Chinese Literature: Beginnings to 1911* (Norton, 1997). Victor Mair, ed., *The Columbia Anthology of Traditional Chinese Literature* (Columbia, 1996). Edited by John Minford and Joseph S. M. Lau. 1176 pp. The book gives a comprehensive account of its beginnings from ancient classics (Book of Songs, Analects etc) to Tang luminaries Li Bo and Du Fu, using a collection of translations from Waley, Pound to Owen and Birch, while offering insightful annotations, readings and essays. There's a bit of everything: biographies, ballads, poetry, histories (a big genre in Chinese literature), and short tales, and a lot to delight the unsuspected.

He gives most of the literary eras a measly three-or-so paragraphs of "explanation" before spamming the reader with his impressive collection of literal yet glossless translations. For a work of this magnitude, from a scholar who's written captivating works about Chinese literature in the past, there is simply no excuse for this. And here's the rub: if you want to learn more about Chinese literature, you can read the numerous, far superior translations of the great novels, the philosophers, the histories, the most famous poets Li Bai and Dufu, etc, by Arthur Waley, Burton Anthology of Chinese Literature LEGENDS AND CHARACTERS OF THE YUE-FU Li 80 was, above all, a poet of fantasy. An attractive image from the world of the Chu-ci or from the yue-fu, the noblest recluse or the bravest soldier-Li 80 could imagine all these and himself living in such roles. In the following yue-fu, an essentially "poetic" recreation of the world of ancient myth has replaced the religious vision of the Xiang River goddesses that we have in "The Nine Songs." Chinese literary history was first written in Japanese by Japanese sinologists. Much effort has also been made in the field of Chinese literary histories and anthologies compiled in English, beginning with Herbert Allen Giles's *A History of Chinese Literature* in 1901. The bloom of rewriting Chinese literary histories in China leads to our exploring into the critical issues of literary historiography. Therefore, the new approaches to rewriting Chinese literary history deserve a thorough investigation. Keywords. Literary History Ming Dynasty Chinese Literature Tang Dynasty Literary Culture. Owen S. This collection of over 600 pieces, translated with great clarity and sense of the original, presents the tradition in historical and aesthetic context. Moving roughly chronologically through the tradition, gathers texts in a variety of genres—songs, letters, anecdotes, poetry, political oratory, plays, traditional literary theory, and more—to show how the essential texts build on and echo each other. Coupled with highly readable commentary, this innovative structure uniquely highlights the interplay among Chinese literature, culture, and history.

Classical Chinese poetry continued to be the major poetic form of the Qing Dynasty. This was also a time of related literary developments, such as the collections of Tang poetry, under the Kangxi Emperor. The debates, trends and widespread literacy of the Ming period began to flourish once again after a transitional period during which the Qing Dynasty had established its dominance. The "Three Masters of Jiangdong" wrote during the Ming-Qing transition. They were Gong Dingzi, Wu Weiye, Qian Qianyi, who were influential in reviving the ci (song lyric) style. [2]. Moving roughly chronologically, An Anthology of Chinese Literature gathers texts according to genres, themes, forms, and other groupings to show the way essential texts build off one another and how the tradition echoes itself. Including a range of forms - songs, letters, anecdotes, stories, plays, political oratory, traditional literary theory, and more - the anthology's innovative structure breaks new ground by providing a previously unavailable view of the interplay between Chinese literature, culture, and history to alert non-Chinese readers to what premodern Chinese readers would hav
