Behaviour In Organizations: Understanding And Managing The Human Side Of Work

Jerald Greenberg

Information about human beings and their behaviour is presented in this volume for the benefit of future managers. It includes issues such as how to motivate people, how to give them feedback on their performance and how to influence them. Bookmark.
This study examined how EOHRM could influence employee EB in organizations through an identified mediator employee Ethical Attitude (EA). A three-construct integrated model was developed based on literature gaps and tested empirically. The type of investigation was correlational, cross-sectional in the time horizon and unit of analysis was individual. A stratified random sample of 550 senior and middle-level managers was selected from 11 domestic Licensed Commercial Banks (LCBs) in Sri Lanka. A pre-tested structured questionnaire (with 5-point Likert Scale) was used to collect primary data.
