The tough-talking private investigator is such a pervasive figure in our culture that it seems always to have existed. Read this full essay on Ernest Hemingway's *In Our Time*. 'The times, they are a changing,' famous words spoken by Bob Dylan, a king of his generation. 'Lost generations,' is an interesting phrase, but what kind of meaning should it hold? He expressed his belief and described his own method in a passage in *Death in the Afternoon*: "If a writer of prose knows enough about what he is writing about he may omit to tell about it. He must not let himself be misled by the fact that he is writing about it." Reynolds served on the editorial board of the *Hemingway Review*. He also helped establish the Hemingway Society, which presents the annual Ernest Hemingway Foundation Award for the best first work of fiction published in the U.S., and organized its biannual conferences for Hemingway scholars.
