Cannibals: The Discovery and Representation of the Cannibal from Columbus to Jules Verne. Article. Dec 1999.Â But the image of the cannibal suffered a reversal at the end of the eighteenth century, becoming a hateful figure that aroused the primitivist imaginings of writers like Sade and Flaubert. Lively, accessible, and provocative, this unique study will not only be welcomed by readers in early modern history, European literature, anthropology, and religious studies, but will fascinate anyone interested in the myths and realities of cannibalism.
