Religion and the rise of the American city : the New York City mission movement, 1812-1870. Carroll Smith-Rosenberg. 1971.Â This discussion of issues relating to the historical study of gender was presented as a symposium on December 4, 1987, at the Philadelphia Center for Early American Studies, University of Pennsylvania (More). Religion and the Rise of the American City: The New York City Mission Movement, 1812-1870. September 1972 Â The Journal of American History. Philip Gleason. Carroll Smith Rosenberg.Â This article discusses the variety of religious thoughts that existed in society during and before the Transcendentalist period and the impact of such thoughts on the movement and its relation with them. The article puts a emphasis on Unitarianism as the movement had its roots in Transcendentalism. The Transcendentalists sympathized with their elders' modernizing revolt against surviving forms of [Show full abstract] Puritanism and may be said to have sustained that revolt ably throughout their first and second generations.
