2. The 2019 Best Public Elementary Schools ranking is based on rigorous analysis of key statistics and millions of reviews from students and parents using data from the U.S. Department of Education. Ranking factors include state test scores, student-teacher ratio, student diversity, teacher quality, grade school ratings, and the overall quality of the school district. Read more on how this ranking was calculated. Share on facebook. Council Rock. School District. Success For Every Student Every Day. Home. Additionally, you will note a link to our elementary report cards, our sixth grade elementary performance assessment, our district listing of textbooks used at each grade level and information on the registration process for those new to our district. For information on specific school activities or school community events, visit each school's website listed under Elementary Schools. Last Modified on August 9, 2016. Follow Us. 30 N.
