"In a nutshell, Battles on the Bench discusses the history of conflict among the justices in an entertaining and colorful style. The book succeeds in helping us to understand the Supreme Court as a unique political institution and in reminding us that the justices, like the rest of us, are merely human." American Journal of Legal History. "A superb study of conflict in the Supreme Court. Cooper has produced a work that is in many ways seminal. He has also done an excellent job of classifying the nature, types, and consequences of conflict on the Court, illustrating each with amu 3. Description this book Battles on the Bench Felix Frankfurter s blustery depiction of debate within the Supreme Court suggests that combat sometimes supersedes collegiality in those hallowed halls. In fact, as Phillip Cooper shows, conflict is an inescapable fact of life in the Marble Temple. Cooper peels back the calm, quiet public image of our judicial royalty to reveal their "family" feuds and squabbles. He shows that whether motivated by deeply felt principle or by petty and vindictive impulses, these disputes dramatically shape the Court s decision-making process, the justices

"In a nutshell, *Battles on the Bench* discusses the history of conflict among the justices in an entertaining and colorful style.
