Working Together as God Intended Designed for Businesses, Churches and Corporations. It is the author's position to hire only Christians who are journalers and tithers when developing a ministry/business enterprise. As God distilled these 20 key Biblical principles of management through my heart, I realized that these were just as applicable for pastors who managed churches as they were for businessmen who managed businesses or corporations. Therefore the following 20 key principles are for all who find themselves in positions where they manage other people. Biblical Basis for Discipleship. Matthew 28:18-20 18 Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. 19 Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 and teaching them to obey everything I have commanded you." In all, the command to disciple finds its fulfillment in evangelism and education. The discipleship characteristics as commanded by Jesus appear not only in this commission, but throughout the Gospels.5. Jesus's Model Discipleship was Jesus's method of winning the world to Himself. In fact, Jesus converted very few people in His earth ministry in a clear-cut way. He literally staked His whole ministry on twelve men.

The process of discipleship involves a relationship where a mature believer uses the Word of God to teach reprove, correct and train another disciple in order that he/she becomes increasingly more like Christ. When it comes to Gods 3-fold Purpose for the Church, its not a question of which one is most important.

Definition and meaning: Disciple, Discipleship During Jesus' earthly ministry, and during the days of the early church, the term that was used most frequently to designate one of Jesus' followers was "disciple" (mathetes [maqhthv]), 262 times). Hence, discipleship is a central theological theme of the Gospels and Acts. The situation is different in the Old Testament and in the rest of the New Testament. There is a curious scarcity of words for "disciple" in the Old Testament, and mathetes [maqhthv] does not occur at all in the Epistles and Revelation. However, other terms and expressions point to ab Principles of Biblical Interpretation. I. Introduction. The word Hermeneutics is derived from the Greek word HERMENEUTIKE which, in turn, is derived from the verb HER-M E N E U O. Plato was the first to employ HE HERMENEUTIKE (SC. TECHNE) as a technical term. Hermeneutics is, properly, the art of TO HERMENEUEIN, but now designates the theory of that art. It is only when we recognize the principle of the divine inspiration of the Bible that we can maintain the theological character of Hermeneu-tica Sacra. Hermeneutics is usually studied with a view to the interpretation of the literary productions of the past. Its special task is to point out the way in which the differences or the distance between an author and his readers may be removed.
