Last, we have hatching textures. These are used frequently in cartographic design and so should be part of our toolkit. Creating a seamless hatch fill is a decidedly more difficult task than the others because of the line angles. It will look something like this which may be counter intuitive. **ADVERTISEMENT.** Legendary crafting materials were abruptly removed from the game in patch 2.0.6 in June 2014. This item can no longer drop and existing samples have no remaining utility. See the [Legendary Materials](#) article for a fuller explanation. Legendary materials drop more often on higher difficulty levels. Their drop rate was tripled in Patch 2.0.4 shortly after *Reaper of Souls*' release, making them all much easier to find.
