The Horse and His Boy is the fifth book in The Chronicles of Narnia by C. S. Lewis. It takes place in Calormen and Archenland, neighboring countries south of Narnia, during the reign of High King Peter, Queen Susan, King Edmund, and Queen Lucy Pevensie. As this story is the only Chronicle to depict only Narnian characters, it takes place in the Narnian-year 1013/1014. It was illustrated by Pauline Baynes and published by HarperTrophy.

It is also the only instalment that takes place entirely inside the fictional Narnian world with the main characters being of strictly "Narnian World" origin: two children and two talking horses escaping from Calormen to Narnia. The book is set in the period during the reign of the four Pevensie children, mainly the High Monarch King Peter the Great, in the epoch known within Narnia as the Golden Age. The adventure of these two children proves to be more than initially appeared when with the help of Aslan they use their strengths to stop a conspiracy which pretends to end the peaceful existence of... He reintroduces his devious, smelly, turban-clad race, the Calormen. A lost white boy is raised among them and he is sad until he is finally reunited. I feel more conflicted about this book than any of the other Narnia books. On the plus side, the story is stronger and CS Lewis manages to keep his blatant editorializing to a minimum (maybe because none of the characters are transplants from wartime London). But holy crap, the modern reader will find his racist descriptions pretty hard to swallow. To cure a book slump, I decided to revisit the Chronicles of Narnia series. I grew up with the books as a kid, but I'd never actually finished the series to completion. Conveniently, I happen to own a stack of them that I purchased from a thrift shop a few years ago on a whim.

The Horse and his Boy is a stirring and dramatic fantasy story that finds a young boy named Shasta on the run from his homeland with the talking horse, Bree. When the pair discover a deadly plot by the Calormen people to conquer the land of Narnia, the race is on to warn the inhabitants of the impending danger and to rescue them all from certain death. THIS is the story of an adventure that happened in Narnia and Calormen and the lands between, in the Golden Age when Peter was High King in Narnia and his brother and his two sisters were King and Queens under him. In those days, far south in Calormen on a little creek of the sea, there lived a poor fisherman called Arsheesh, and with him there lived a boy who called him Father. The boy's name was Shasta. On most days Arsheesh went out in his boat to fish in the morning, and in the afternoon he harnessed his donkey to a cart and loaded the cart with fish and went a mile or so southward to the

On a desperate journey, two runaways meet and join forces. Though they are only looking to escape their harsh and narrow lives, they soon find themselves at the center of a terrible battle. It is a battle that will decide their fate and the fate of Narnia itself. List Chapter or Page: 1. Chapter one. 2. Chapter two. 3. Chapter Three. 4. Chapter Four. 5. Chapter Five. On a desperate journey, two runaways meet and join forces. Though they are only looking to escape their harsh and narrow lives, they soon find themselves at the center of a terrible battle. It is a battle that will decide their fate and the fate of Narnia itself. Chapter List (15 chapters). Chapter one. Chapter two. Chapter Three. Chapter Four. Chapter Five. The Horse and His Boy. By C. S. Lewis. Grades 3-7; Genre " Fantasy; GRL T. Shasta and Bree set out for an adventure trying to escape their homeland, in hopes of reaching Narnia. They run into another set of travelers on their way and join together with them. The travelers learn of an evil plan to conquer Narnia as well as kidnap Queen Susan and know they are the only ones to prevent it from happening. Tell me about Shasta. A boy who lived with a poor fisherman, did all of the work around the house, would get beaten if his father were in a bad mood, mended & washed the nets, cooked, cleaned p. 4. How did Shasta come under the care of the fisherman? He was traveling with a man on a ship when he was a baby and the ship wrecked.

On a desperate journey, two runaways meet and join forces. Though they are only looking to escape their harsh and narrow lives, they soon find themselves at the center of a terrible battle. It is a battle that will decide their fate and the fate of Narnia itself. List Chapter or Page: 1. Chapter one. 2. Chapter two. 3. Chapter Three. 4. Chapter Four. 5. Chapter Five. It is a battle that will decide their fate and the fate of Narnia itself. The Horse and His Boy is the third book in C.S. Lewis's The Chronicles of Narnia a series that has become part of the canon of classic literature, drawing readers of all ages into a magical land with unforgettable characters for over fifty years. This is a novel that stands on its own, but if you would like to return to Narnia, read Prince Caspian , the fourth book in The Chronicles of Narnia. Because of his success as model, he was offered films. Along with his good looks and excellent martial art skills, he was always the first choice to do Anradin Tarkaan. 12. William Moseley. Actor | The Chronicles of Narnia: The Lion, the Witch and the Wardrobe. William Peter Moseley was born on April 27, 1987, in Gloucester, England, to Juliette (Fleming) and Peter Moseley, a cinematographer. He returned in the role of Edmund in the film's sequels The Chronicles of Narnia: Prince King Edmund. 15. Georgie Henley. Actress | The Chronicles of Narnia: The Lion, the Witch and the Wardrobe. Georgina Helen Henley was born July 9, 1995 in Ilkley, Yorkshire, England, the youngest of three daughters of Mike and Helen Henley.

Though three of the Pevensies appear as minor characters in *The Horse and His Boy*, the main characters are two children and two talking horses who escape from Calormen and travel north into Narnia. On their journey, they learn of the Prince of Calormen's plan to attack Archenland; they then warn the King of Archenland of the impending strike. This is increasingly becoming one of my favourites from the *Chronicles of Narnia*. If asked why, I believe it is because it is the most like a medieval faerie romance. A young boy and girl in the mundane world of Calormen suddenly find themselves in the presence of faeries—talking horses—who wish to take them into Faerie itself—Narnia. Faerie, and the journey to it, however, is perilous and fraught with dangers.
