This newly updated pocket travel guide for Cancun and the Yucatan will lead you straight to the best attractions these locations have to offer, from swimming with whale sharks to snorkeling with turtles in Cozumel to exploring Xcaret Park. Expert travel writers have fully revised this edition of DK Eyewitness Travel Guide: Top 10 Cancun & the Yucatan. This guide will walk you through the basics of how the Companion system works in The Outer Worlds. Then, we will look at enhancing the experience of your game using your companions: in the battlefield, in questing and dialog, and for immersion purposes. Every companion's behavior can be modified in terms of distance they keep to the player (close, middle, and far), the type of weapon they use (melee, ranged, or mixed), and the mode of their behavior (aggressive, defensive, and passive). The distance setting will modify the distance your companions default to during exploration and battle, while the type of weapon will determine whether they fight using close-combat, ranged, or both types of attacks.
