This book details information on nearly 350 American Punch players. It explores the significance of the 19th-century American show as a reflection of the attitudes and conditions of its time and place. The century was a time of changing feelings about what it means to be human. There was an intensified awareness of the racial, cultural, social and economical diversity of the human species, and a corresponding concern for the experience of human oneness. The American Punch and Judy show was one of the manifestations of these conditions. 19th century medical views on female sexuality. "the majority of women (happily for them) are not very much troubled by sexual feelings of any kind": from William Acton's medical text, *The Functions and Disorders of the Reproductive Organs*, 1857.
