Weaving Complexity and Business: Engaging the Soul at Work20014Roger Lewin and Birute Regine. Weaving Complexity and Business: Engaging the Soul at Work . London: TEXERE 2001. 340 pp, ISBN: ISBN 1 1 58799 043 1 (paperback) £12.99. We also devote our attention to the development of physical goods, although much of the work we describe applies to products of all kinds. We look inside the "black box" of product development at the fundamental decisions that are made by intention or default. In doing so, we adopt the perspective of product development as a deliberate business process involving hundreds of decisions, many of which can be usefully supported by knowledge and tools.
