It comprises the academic, peer-reviewed journals *Theory, Culture & Society* and *Body & Society*, as well as the *Theory, Culture & Society* Book Series. Bourdieu describes how the state derives its legitimacy by possessing not just a monopoly over physical violence but also over symbolic violence. The state is incorporated within us, by shaping both our mental structures and practices. *Theory, Culture & Society* caters for the resurgence of interest in culture within contemporary social science and the humanities. Thus read in the logic of the trial, perceived through initial prejudice, for or against, as mere political theses inspired by an originary bias for denunciation or legitimation. Portions of this volume appeared as: Pierre Bourdieu and Jean-Claude Passeron, "Language and Pedagogical Situation," and Pierre Bourdieu, Jean-Claude Passeron and Monique de Saint Martin, "Students and the Language of Teaching," in D. McCallum and U. Ozolins (eds) *Melbourne Working Papers 1980*, (Melbourne, University of Melbourne, Department of Education, 1980, pp. 36-77 and pp. 78-124).

Bourdieu Reading Bourdieu introduced the concept of cultural capital, wealth based on social status and education, noting that success in school and society depends largely on the individual's ability to absorb the cultural ethos, or what he termed habitus, of the dominant class. Influenced by structuralism, he suggested that habitus is similar to yet more fundamental than a language. Reveal the dynamics of power relations in social life. From Max Weber he retained the importance of domination and social order. From Durkheim he inherited a structuralist interpretation of social order in *Le roman expérimental*: Emile Zola, 1902. How can sociology treat "culture" as an object of study and as an influence on other sociological processes? This is, of course, two separate questions. First, internally, is it possible to treat philosophy or literature as an embedded sociological process (a point raised by Jean-Louis Fabiani in his treatment of French philosophy (link)? Can we use the apparatus to pull apart the sociology of the fashion industry? And second, externally, can we give a rigorous and meaningful interpretation of "bringing culture back in" -- conceptualizing the ways

PDF | This article evaluates Bourdieu's analysis of cultural production in terms of its effectiveness for understanding contemporary media production. | Find, read and cite all the research you need on ResearchGate.
