Editor's Desk #1: Passing on the Passive Voice. We now begin with the first ever installment of "Notes From the Editor's Desk," a place where we can confess our literary sins and receive appropriately scathing remarks for them. And today we're going to come out swinging, starting with the passive voice. For those that aren't entirely sure what the passive voice is (there's a disturbing number of people that think they're novelists who did terribly in English class), it's when your subject is being acted upon, rather than doing the acting.
