The history of England fr has been added to your Cart. Add to Cart. Turn on 1-Click ordering for this browser. The five-volume format is a little fussy, but it reproduces the way the books originally came out. Meanwhile the Kindle competitors are clumsier because of their greater length, and cost a couple bucks instead of nothing. This five-volume version lacks detailed chapter summaries, but those hardly seem necessary (they were added by the etext creators, not Macaulay), especially when the books can be searched. Macaulay sets up well on Kindle because he names so many names. Even in his own time, reviewers sometimes objected to how many named characters he had, but the Kindle search capacity tames II vol III by Thomas Macaulay. This volume picks up the thread of the tale where vol. II left off, at the Glorious Revolution. This volume deals primarily with William's masterly handling of this delicate situation. The scene is temporarily diverted from England to deal with Ireland, where James lands with French troops to reclaim his exasperated people, and Scotland, where the various clans begin to war against one another, with William and James as the excuse. William is left in rather tenuous control of the three kingdoms, and James flees back to France, helping the opposing schools of opinion to band together by his threat of bringing a French army into England. ...more. flag Like see review. Volume I introduces the reader to Britain before James II, from life under the Romans and Saxons and the conversion to Christianity to the Monmouth Rebellion of Scotland in 1685 and James II's taking of the throne. ...more. Get A Copy. Kindle Store \$0.99.Â The first three chapters serve as a long introduction. The first chapter provides a semi-brief overview of the history of England from the time of the Conqueror up to the Restoration, which is a thrilling feat of literary prose. The second chapter gives a semi-detailed account of the 25 year reign of Charles II. The third chapter gives an overview of the contemporary economic, social, and cultural climate in England.
