Economic Report of the President. Investing in the Future Americans Deserve. My Administration is proud of the economic success that the United States has achieved over the past year, and we are dedicated to sustaining this progress. We are working hard to reverse policies that drove many businesses to other countries, taking jobs with them. In 2017, our strengthened economy created 2.2 million jobs, and the unemployment rate was at its lowest level in seventeen years. The Future of Jobs Report 2018.
