Anthony Trollope's novel The Duke's Children was published in 1879, like The Way We Live Now another of his novels, presciently modern.

Anthony Trollope's Palliser novels teach us very little about the real stuff of politics. Programmes and policies are what make the political world go round and in five long volumes – six if *The Eustace Diamonds* counts as part of the series – Plantagenet Palliser rises from backbencher to prime minister without showing much interest in either. *Orley Farm* was the novel of Trollope's that most of his contemporaries admired, and it's a book of immense, cumulative power. Like everyone else, I love the Trollope of easy charm and amusement in absurdity, but the books of his I find most compelling are the analyses of processes. The wheels of *Orley Farm* grind slowly, and the complexity of its story is designed to daunt the reader.

“Have you ever read the novels of Anthony Trollope? They precisely suit my taste,” Nathaniel Hawthorne wrote to a friend, knowing that his correspondent would be startled by the disclosure, since Trollope was so far from Hawthorne’s own dark, allegorical style. “Just as real as if some giant had hewn a great lump out of the earth and put it under a glass case, with all its inhabitants going about their daily business, and not suspecting that they were made a show of.” Anthony Trollope’s Palliser novels teach us very little about the real stuff of politics. Programmes and policies are what make the political world go round and in five long volumes – six if *The Eustace Diamonds* counts as part of the series – Plantagenet Palliser rises from backbencher to prime minister without showing much interest in either. *Orley Farm* was the novel of Trollope that most of his contemporaries admired, and it’s a book of immense, cumulative power. Like everyone else, I love the Trollope of easy charm and amusement in absurdity, but the books of his I find most compelling are the analyses of processes. The wheels of *Orley Farm* grind slowly, and the complexity of its story is designed to daunt the reader. Anthony Trollope was an English novelist of the 19th century. Anthony wrote novels on subjects like politics, society, gender issues, etc. These topics were inspired by the ordinary situations faced by people in Victorian England. Anthony was born in 1815 in Bloomsbury, London. He was the fourth child born to Thomas and Frances Trollope. Thomas Trollope was a barrister by profession. He was also known to have a flaring temperament.

Anthony Trollope was one of the most successful, prolific and respected novelists of the Victorian era. His perceptive novels remain relevant today, and his reputation continues to grow with each passing year. In 2015 we celebrated the bicentenary of his birth on 24th April, 1815. More about Trollope. The Trollope Society has a world-wide membership and exists to promote and publish Trollope's works, provide a forum for exploring his life, and encourage enjoyment of his writing for future generations.Â When any body of statesman make public asseverations by won one or various voices, that there is no discord between them, not a dissentient voice on any subject, people I had to suppose that they cannot hang together much longer. The Duke's Children. Join The Trollope Society today!

Anthony Trollope (/Ë`trÉ'lÉ™p/; 24 April 1815 â€“ 6 December 1882) was an English novelist of the Victorian era. Among his best-known works is a series of novels collectively known as the Chronicles of Barsetshire, which revolves around the imaginary county of Barsetshire. He also wrote novels on political, social, and gender issues, and other topical matters. Trollope's literary reputation dipped somewhat during the last years of his life, but he had regained the esteem of critics by the mid-20th century.
