Studies in Church History. Article. Article. The imaginative worlds generated between the time of the apostles in the first century and the rise of the medieval Christian world in the seventh and eighth centuries can be seen as an integral part of what we now label "late antiquity". The period of late antiquity, roughly from 300 to 600 AD (from Constantine to Mohammed), is substantively a period of consolidation and reorientation: knowledge from the ancient Greco-Roman civilizations was queried, repackaged, and disseminated; classical literature was copied, commented upon, and imitated; Roman law was collected, rearranged, and declared a... 1 This essay takes inspiration from treatments by Brown, Peter in *The Making of Late Antiquity* (Cambridge, MA, 1978), esp. ch.
